

Ten Tips *for* Finding Your Voice

1. Don't mask or pretend. {Don't trade your real voice for a substitute.}
2. Don't stuff. {Don't attempt to please others over pleasing God.}
3. Don't hold a grudge. {Forgiveness does not mean acceptance.}
4. Don't perform. {We really don't have to have it together all the time.}
5. Don't defend. {Defense usually only validates any complaints.}
6. Don't control. {We can't change anyone but ourselves.}
7. Don't give in; establish clear boundaries and limits. {There are times enough really is enough.}
8. Don't discard your dreams. {Find your passion and pursue it.}
9. Don't give up on joy. {Filter everything through God's truths.}
10. Don't run. {Share that story you're scared to share.}
